

TROY HERALD.

WEDNESDAY, JULY 9, 1873.

A SIGHT MISTAKE.—A countryman came to town last week, and inhaling the powerful odors of chloride of lime, carbolic acid, and the other disinfectants; the sanitary committee is distributing so liberally over the town, mistook them for the noxious emanations from sewers and other nuisances, and expressed to a friend his wonder that the citizens hadn't taken more precaution to clean the town, adding that nothing else but cholera might be expected, and, as for himself, he couldn't breathe in the filthy atmosphere.

Thornhill & Buswell have on hand a supply of genuine proof brandy for sickness. Call at the Laclede and purchase a supply. n26

NOTICE.—All persons indebted to the estates of James H. Segrass and Joshua King, dec'd, on note or account (said bills excepted) are hereby notified to come forward and pay up, or I will be compelled to sue.

JOSIAH CREECH,
Adm'r said Estates.

n2614

Some of our citizens, not heeding the order of the town board to clean up around their premises, have had that work done for them by the marshal, and will have to stand the costs. One old colored lady who heard of the cleansing process remarked that she would like for them to clean up around her place. We suggest to all who entertain such an idea, that it might be cheaper for them if they attended to the matter themselves. Officers fees, as well as the workmen's pay will have to be met when the town authorities are compelled to do the work through the negligence of property holders.

Attention Farmers.

We call your attention to the fact that we have for sale a "Star of the West" Threshing Machine worth \$600, which we are authorized to sell at \$400. One half in six months, balance in twelve months, notes with approved security bearing ten per cent. interest from date. A liberal discount for cash.

BELIEVE A LIE AND REJECT THE TRUTH.—Our friend "Sim" of the Laclede and R. H. Norton Esq., were on their way out to the coal shaft to search for the body of Mr. Catcott, and meeting several persons, inquiry was made of them as to the prevailing disease in Troy. These gentlemen occasionally prevaricate for the fun of the thing, and gave their questioners a very doleful account of the fatality here, naming over nearly all the business men of town and saying they had either died or were dying of cholera, and that every body was leaving the place—they were then on the run. Their exaggerated story was readily believed—as all such stories generally are, and our friends may be responsible for frightening somebody into cholera; who knows? On their return home, having found that Mr. Catcott was really drowned in one of the coal shafts, they assisting in raising his body, they met another party, when "Sim" related to him the sad affair. He was very much surprised when the individual smiled and retorted, "Pshaw, that's one of your d—d lies!" Its human nature to reject the truth and believe a lie.

PRICES TUMBLING!—The hard times and the scarcity of money have caused the prices of goods at W. S. Cooper's Novelty Cash Store to tumble down at a rattling rate. Calicoes are selling at from 6 1/4 to 12 1/2 a yard. A large stock of new goods just received and ready for inspection. Call and see his goods and inform yourself of his low prices. n21

READ THIS.—For a pleasant drink of soda, go to the Fountain at the corner store of G. W. Mohr. He has also just received a lot of Ladies and Misses' straw hats, which he will sell at low figures. Gents and boys' felt hats at from 75 to \$4.00; boots and shoes, cutlery, fancy groceries and provisions, &c., all at low cash prices. All those indebted to me must come forward and pay; otherwise their accounts and notes will be put out for collection.

n2378 G. W. MOHR.

TO TEACHERS.—Notice is hereby given that I will, in accordance with the school law, hold a public examination of teachers at the court house in Troy on the first Saturday of every month. Applications for certificates must be made on these days.
